Henry My dear child

Soc has spared us to the close of the year; for which I hope we are truly grateful & every other blessing. We are all in usual health - Though father has been very miserable all the fall I think he got overdone very billious accompanied with Asthma several weeks he was unable to do any thing yet - Left his work with Mr. Luff & took hold with Charley Gloues who came here the first of Sept; He goes to school now is a good boy to work I think he will get on very well if he does not get drunk he has been some once, he is as good a boy as I could ask for save that he smokes one with tobacco

Dr Loggesshall has not preached since Camp meeting - He is so nervous he is not willing to have the Church occupy sometimes - Mr Doer has preached a fe
