Lloyd Hill's Team Scores Big Upset In Final Game

The Canton High football team, coached by Lloyd Hill, former Pittsfield High assistant, scored a smashing 18-8 win over heavily favored Stoughton High in the season finals Thursday morning at Canton. It was Canton's first conquest of Stoughton since 1952.

Hill, a former Brown University captain, was line coach at PHS in 1958.

Charley Patriarca's 62-yard touchdown run for Canton on the final play of the game ignited a wild celebration that prevented the try for the extra points. Coach Hill agreed to forego the conversion try after joyous Canton rooters swarmed onto the field.
